

ADA: The Americans with Disabilities Act requires wheelchair accessible tables with work surfaces to have approximately 26" - 42" height clearance and 30" width clearance. This desk meets this requirement.

Special Orders: Table tops can be ordered in various standard sizes. Special laminate colors or sizes can be quoted separately. Set-up charges apply and lead-times may be extended. Custom desk sizes and configurations to meet your specific needs are welcome. Please contact customer service.

Warranty & Cancellation: The Limited Lifetime Warranty for this ergonomic desk means that your system is covered against defects in materials and workmanship. If a problem occurs with your system as a result of normal use, contact us immediately. This warranty is limited to providing a replacement system or a refund for replaced product or other reasonable remedy at the discretion of Magic X-ray Markers. If an order is canceled once received, cancellation fees may apply.
